

Our United Methodist mission **NEEDS YOU**

Dear %Name%,

Can you imagine being elderly, frail, and without health care? Every year, 61% of seniors in our long-term care facility face that frightening reality. **Will you help?**

When seniors have exhausted their resources and can't afford to pay for health care, Aldersgate Village continues to serve. Providing compassionate care for seniors in need is part of our Christian mission, but continuing this mission requires support from our faithful Methodist family.

%Name%, will you help vulnerable seniors this holiday season? Give the gift of health care by pledging now. Go to **SPONSORASENIOR.ORG**, or text **AVSeniors** to **50155**.

Dear %Name%,

Aldersgate Village, and the seniors who count on us to care for them, still need your help.
