

Join us for this exclusive cellular therapy presentation at the 2017 AABB Annual Meeting.

Dr. Joanne Kurtzberg presents:  
**Autologous Cord Blood Infusions Are Safe and Feasible in Young Children with Autism Spectrum Disorder**

October 9, 2017 | 7 A.M. – 8:15 A.M.  
San Diego Convention Center,  
Room #SDCC 29B

Admission is free but limited to the first 100 registrants.

Coffee and pastries will be provided at 6:30 a.m.

Mediware Information Systems and Save the Cord Foundation are excited to sponsor this exclusive Share the Science presentation.

Dr. Joanne Kurtzberg, who pioneered the use of umbilical cord blood as an alternative stem cell source for unrelated hematopoietic stem cell transplant, will discuss cord blood infusions to treat children with autism spectrum disorder.
